A game that cannot be finished, unless you did it in one day. Your security and privacy are important to us! Privacy overview Privacy Panoramic This website uses cookies so that we can provide you with the best user experience possible. Family characters come alive in this game! This is finding something in a place and going to another to use it kind of game if you like looking for a family adventure game. Good luck! Rating 5 out of 5 for Christmas for iPhone. Published date: 2019-02-27 Ratings 5 out of 5 of 6-star Watson13 from the USA. I have finished playing Christmas Stories: Nutcracker Collector's Edition. Translations, messages, photos and even your favorite apps. It is now easier than ever to make the passage from iPhone to Android. Fortunately, some small sidekicks cut here your back. I intend to do the other 10 levels in the new game of the year - Fantasy series! Published date: 2016-12-01 Rated 5 out of 5 of MissVi99 from Ohio USA! The scores are beautiful! Yes, this is one of those profound games that is fun and stimulating. I really liked this game! Published date: 2019-12-28 Rated 5 out of 5 of Caseydubhamel from Grazie! What a blessing! Work so hard and live daily life for the day holding the day when Christmas arrives... again. Rating 5 out of 5 of 5 of Alkindi from the amazing game in 2012 and did a unique game of its kind? But when I started to play it they didn't have the chance. Discover the evil texture of the Rat of the King - and find out what the small monster has created tooth. It's one of those games that makes you warm in your heart. Cookies strictly necessary for the strictly necessary cookie should be enabled at any time when You can save your preferences for cookie settings. If you disable this cookie, we will not be able to save your preferences. I highly recommend. I really bought it for my children. Published date: 2016-12-03 Ratings 5 out of 5 from Enyagirl from excellent game! I played this game last year and I had hooked on the series and also played Christmas Carol. This game has everything, as if it had been done in 2020. Although the bonus content is not correlated to the main history of the game, follow the theme of the producer and offers new locations and stage personalities. Exclusive a classic Christmas Christmas queue, with a completely new twist! Help the nutcracker to save the princess from the evil King King in this memorable hidden puzzle-object adventure game. I'm so sad that this game is no longer available on the App Store and I'd like to contact me for me to buy this game again. :) Published Date: 2020-04-15 Ratings 5 out of 5 by inskearchOffun from never bored the plot, voices, music and locations make this game to life. And nothing says Christmas as the nutcracker suite! History is committed and faithful to ballet / operating - so you know that the musical track is like a nice hot wood fire! Everything flows and lights up in this game, a lively adventure for all ages. You could be too late for the Christmas ball, but you're just in time for adventure! The nutcracker needs your help, and there is an army of rats that run rampant through the kingdom. :) Those are ok, but this kept me warm in winter. But the suggestions are very useful and you can proceed to enjoy the a
